Project Status Overview

The Works Phase LED Conversion of City-owned arterial roadway streetlights installation continued the past two weeks spanning Monday, 10/16/23, to Friday, 10/27/23. In this two-week period, 115 luminaires were installed.

In total, 1085 luminaires have been installed which is 90% of the project scope.

The past two weeks, Dalkia continued work in Segment Three along NM528. A total of 155 luminaires have been installed in Segment Three.

In Segment Five, Dalkia worked along Cabezon Blvd. A total of 81 luminaires have been installed in this segment.

Dalkia also continued work on traffic signal luminaires across multiple segments.

Twenty-four shields have been installed on converted lights, per constituent requests.

Looking ahead, Dalkia will continue to work in Segments One, Two, and Three to complete the traffic signal luminaires.

### Conversion Work Completed from 08/21/23 – 10/27/23

PROGRESS TO DATE

Total Complete: 1085 luminaires (90% complete)
